MEMORANDUM FOR: Chief, Plans, Programs Branch

SUBJECT : Office of Security Assistance to and Arrangements with USIB Agencies and Departments

REFERENCE : Memorandum from the Inspector General dated 28 May 1974, same subject

1. Paragraphs one and two of reference, as they pertain to Office of Security equipment support to elements of the "USIB Community", do not apply to the Information Systems Security Group. As you know, our support to the USIB Community is through participation in the activities of the Computer Security Subcommittee of the Security Committee where we supply both the Chairman and a CIA member to that Subcommittee.

2. It is suggested that you may wish to include in the DD/M&S reply to reference the fact that the United States Secret Service is included in the membership of the ~~Computer Security Subcommittee~~. This is mentioned because ~~of the exclusion of Treasury~~ in the Inspector General's view of what constitutes the "USIB Community".
